## WHAT TO EXPECT?

In preparation for this trip, we will meet as a team once a month, starting in February, till we fly out in July. As we prepare, we will grow as a team and individually as we seek God's heart for the people of Villa Altigracia, Dominican Republic. In country, we will serve alongside the Child Champions in the OneChild Hope Center and the surrounding village. Expect God to move throughout our team, the children and leaders of the Hope Center, and the families and locals.
