Make A Difference

three missions, one purpose

Cedros, Honduras

With Coreluv

There is a global orphan crisis, and in Honduras the need is clear. Safe housing for children is urgently needed. Coreluv is stepping in to meet that need as we begin building the Coreluv Cedros Children's Village, a place where kids can grow and thrive.

WHEN

March 2027 during
spring break
4-day trip
(exact dates TBD,
March 15–19)

COST

Airfare: \$765-\$980
Ground Fees: \$1300

WHO

This trip is open to anyone ready to jump in. We'll spend time serving children and connecting with the local community, with opportunities for light construction work to help bring the Children's Village closer to completion.

Philippi, WV Appalachia

With Convoy of Hope

Step into what's happening in Philippi, WV. We'll be serving alongside a local church and a Convoy of Hope partner, investing in students and young adults who have come out of the foster care system. Our mission is to help build a place where community is strong and support is real, offering mentorship and resources that make a lasting impact.

WHEN

June 12th - 19th 2027

COST

Airfare: \$345-\$460

Ground Fees: \$650

WHO

This trip is for students and young adults ages 15–29 (parents of students attending and student leaders are welcome as chaperones.) We'll jump into hands-on projects like construction, clean-up, landscaping, and building real relationships with local students and young adults. Past teams have built tiny homes, renovated community spaces, and connected with local teens in meaningful ways. For many, this will also be a cross-cultural experience, creating space to learn, grow, and connect across different backgrounds.

Villa Altagracia, Dominican Republic

With OneChild

OneChild comes alongside established churches and schools across the globe, equipping them to become Hope Centers for their communities. These centers provide essential resources to families in need while strengthening education, health, faith, and community.

WHEN

July 2027
4 day trip
(exact dates TBD)

COST

Airfare: \$655-\$765
Ground Fees: \$1400

WHO

This trip is open to anyone ready to jump in, and is especially encouraged for those sponsoring a child through OneChild. During the trip, we'll spend time with our partner Hope Center, help lead a VBS, walk the community, and do home visits to pray over families. Those who sponsor a child will also have a dedicated day to meet and connect with them personally.

Start Preparing Now!

PRAY

- If you are interested in going on a mission trip but are unsure which trip to join, begin seeking the Lord for direction and provision.
- Pray for all three locations our church will be serving in, that the Lord would go before us, and for the ministries and teams working there every day.
- Pray for those impacted by these ministries, that all the Lord has done will continue to multiply. Thank Him for inviting us into the work He is already doing.

PRACTICAL STEPS

- Get your passport as soon as possible if you don't already have one.
- Begin researching and learning about the culture and area of the location(s) you are interested in serving.
- If you are interested in the Honduras or DR trip and don't already speak Spanish, start brushing up. (This is not required, we will have translators but it's helpful to know a few words!)
- Start fundraising now! We have plenty of time to prepare financially, and we trust that the Lord will provide. Don't let finances be the reason you don't go.

If you have any questions don't hesitate to reach out.
